Your Support is a Vital Part of the Solution

We invite you to join us by becoming a tournament sponsor and/or player. As in past years, this event promises to be an afternoon of fun and great golf on what is one of the most enjoyable courses in the area! All proceeds will be donated to the Northwest Autism Center.

The Northwest Autism Center (NAC) is a 501(c)3 non-profit organization located in Spokane, Washington. Its mission is to bring essential services and support to the rapidly growing number of children and adults with autism spectrum disorders (ASDs) living in the Inland Northwest. Your commitment to Wachovia's 2008 Golf Challenge will directly benefit the lives of children, adults and families who depend upon the work of the Northwest Autism Center.

Autism has directly touched the Spokane Regional Business Center. In November of 2004, Reed Lytle's son Isaac was diagnosed with an autism spectrum disorder. Isaac made remarkable progress through early intervention and various forms of treatment. Sadly, Isaac Lytle passed away unexpectedly in 2007. This golf event is one way which the community and Wachovia Dealer Services honors his memory.
