Dear Business Owner/Representative:

As a business owner/manager, you understand how important community support is, and how vital awareness can be in relation to your success. The same support and awareness deeply affects **Domino Project Preschool**, an early intervention program located on the campus of Eastern Washington University. Domino Project Preschool was launched by **Northwest Autism Center**, in partnership with EWU and the Sacred Heart Children's Hospital, to benefit children from 3 to 6 years in age who have been diagnosed with autism spectrum disorders. "Parents for Domino" is made up of families whose children are served by this program.

Domino is one of the few preschools in the Spokane area which offers the crucial intervention children on the autism spectrum need. 1 in 150 children are afflicted with this disorder, and even though recent legislation has allocated partial funding for services to our children, we still rely heavily on community and private sponsors, like you.

Therefore, we would like to respectfully ask you to help support The Domino Project Preschool as it enhances the lives of our children.

On **June 2, 2007** we are hosting a 'Bowling for Domino' fundraiser in which teams of 5 can come to the 'Big Daddy's Bowling Lanes' located at 3023 East 28th Ave in Spokane, WA to help raise support and awareness for autism, while having a great time!

As a business, you can help! Here's what you can do:

1. **Sponsor a Lane!** We place your business name and logo, phone number, and/or website address in the Bowling Lane! By sponsoring a lane for just \$100, you can support the 'Domino Project Preschool', while promoting your business! You can provide your own banner or we can make one for you!

-OR-

2. **Donate a Prize!** We are also in need of door prizes for the event. Donating a gift certificate, money, and or other prize gives you an opportunity to promote your business as well. We will make sure your donation is labeled with your information!

-OR-

3. **Sponsor a Team!** Round up a team of 5 employees from your business to come 'Bowling for Domino'. Enclosed is a 'Team sign up' form you fill out and send. Wear your company logo and show your support!

We look forward to hearing from you and thank you for considering our children with your generosity!

Best regards,

Jauna Reed
